Wild
ITALY

Be UNIQUE

Oliver B. è un'azienda italiana che nasce nel 1999 dalla collaborazione fra la famiglia Segala e Oliver Bucher. Si trova a Verona, la città di Romeo e Giulietta e delle architetture che incantano il mondo, ma anche di tante storie imprenditoriali sorprendenti. Oggi Oliver B. esporta in tutto il mondo mobili e arredi che si posizionano in una zona di confine fra alta qualità e segmento del lusso. Pur essendo fortemente radicata nel territorio e nella tradizione industriale italiana, ha saputo trasformarsi in un brand amato e apprezzato in tutto il mondo. Madie, credenze, tavoli, librerie, sedie, poltrone, divani, letti... non è difficile riconoscere i prodotti Oliver B.: emanano un fascino complesso, fatto di sapere antico e cura assoluta del dettaglio, ma anche di ricerca sui materiali e sui nuovi paradigmi dello stile.

Oliver B. is an Italian company established in 1999 as a partnership between the Segala family and Oliver Bucher. Situated in the beautiful city of Verona, the home of Romeo and Juliet, known for its enchanting architecture but also for being home to many amazing entrepreneurial stories. With its roots anchored deeply in a region famous for its industrial tradition, Oliver B. is positioned precisely between high quality and luxury furniture and has grown steadily to be appreciated worldwide. Whether it be our tables, sideboards, bookcases, highboards, chairs, armchairs, sofas, or beds, Oliver B.'s craftsmanship has come to be recognized by the innovative style that is guided by the truest attention to detail to some of the finest, as well as newest materials.

**UN FASCINO COMPLESSO,
FATTO DI SAPERE ANTICO
E CURA ASSOLUTA DEL
DETTAGLIO.**

A COMPLEX CHARM, MADE OF
ANCIENT KNOWLEDGE AND ABSOLUTE
ATTENTION TO DETAIL.

Be PASSIONATE

Il legno. Questo materiale saggio, intramontabile, sensibile, forte, naturale, con cui dall'alba dell'umanità si fanno ponti e tetti delle case, travi portanti e attrezzi da lavoro, strumenti musicali e sculture.

Il legno richiede un amore sincero per essere scelto, capito, interpretato. E uno sconfinato bagaglio di competenze tecniche per poterlo lavorare. Si inizia con un controllo accurato sulle fasi di essiccazione, e si finisce con la cura scrupolosa dei processi di lucidatura. Amore vuol dire non accettare facilmente i compromessi.

Ed è anche per questo che i mobili Oliver B. rappresentano un valore certo nel tempo: perché portano con sé una storia di rigore e cura del dettaglio costruttivo che non sono in molti, oggi, a poter eguagliare.

Wood has been used since the dawn of humanity to build bridges, buildings and tools. It is a timeless material, ingrained with nature's wisdom, sensitivity and strength. Therefore, we feel it requires a genuine human sensitivity to appreciate wood and a lifelong dedication to master the skill needed to select, interpret and fashion it. Our method begins with a precise control on the drying phases and finishes with meticulous care in the varnishing. Oliver B. furniture represents an uncompromising attention to detail, with each piece embodying a story of patient effort and rigorous craftsmanship. The result is a timeless creation that holds its value.

**È UNA QUESTIONE DI
CUORE. OLIVER B.
È PASSIONE PER IL LEGNO
ALLO STATO PURO.**

PURE ADMIRATION FOR WOOD IN ITS
MOST NATURAL FORM. PASSION THAT
COMES STRAIGHT FROM THE HEART.

Be WILD

Il legno è un pianeta popolato da tante individualità, ciascuna con le sue affinità, la sua empatia e il suo potente alfabeto sensoriale. Oliver B. lavora solo legni pregiati. Come la quercia, il cui tronco alto, diritto e maestoso arriva ai quaranta metri d'altezza. Così agile e contemporaneo, capace di dialogare con altri materiali, campione di durezza per definizione, che acquista molto con la stagionatura, resiste agli urti, alla curvatura e agli agenti atmosferici e per questo viene impiegato nella costruzione di imbarcazioni e botti per il vino. Amare il legno vuol dire rispettarlo e garantire lavorazioni che lasciano intatte le sue caratteristiche all'origine.

Wood has such a rich diversity, that each species has its own affinities and unique sense of being, qualities that we strive to reveal in our work. We are dedicated to incorporating some of the finest wood into our designs. Woods such as oak, whose straight and majestic trunk can reach up to forty meters. The king of durability that when aged can resist bumps, bends and harsh weather, qualities that made it so desirable for shipbuilding and barrel making. Our love and respect for the wood that we use is visible in the innate subtleties of each variety of tree that remains long after our work is done.

**AMARE IL LEGNO VUOL
DIRE RISPETTARLO E GA-
RANTIRE LAVORAZIONI
CHE LASCIANO INTATTE
LE SUA CARATTERISTICHE
ALL'ORIGINE.**

OUR LOVE AND RESPECT FOR THE WOOD
THAT WE USE IS VISIBLE IN THE INNATE
SUBTLETIES OF EACH VARIETY
OF TREE THAT REMAINS LONG AFTER
OUR WORK IS DONE.

A black and white photograph of a majestic mountain range. The central focus is a sharp, rocky peak with patches of snow. The mountain slopes are steep and rugged, with snow clinging to the crevices and ridges. In the foreground, a winding road or path leads through a grassy, hilly landscape. A small, isolated building is visible on the left side of the foreground. The sky is clear and bright, providing a high-contrast background for the dark mountain peaks.
